Dear Sir,

We AL-BABTAIN POWER & TELECOMMUNICATION CO. have selected Asmita International Overseas (License. No. 771/065/066) to recruit 01 Nepalese worker (Cleaning Boy) from Nepal under our block visas (visa no: 1300857803). And finally we had sent the Demand Letter based on Nepal Government Rules and Regulations. Although, the visa stamping process had been completed, the Labor Department of Nepal refused to provide Final Labor Approval in behalf of our candidate named Mr. Durga Bahadur Rakal stating that the name in system (e-wakala) and in Company Letter Head is different. Hereby, we want to clarify that the Sponsor name seen in e-wakala and of Letter Head is of same company. It makes no any differences at all. Whatever the name seen in system (Babtain factory galvanized poles and masts) or something else, the company name seen in system and in letter head is of same company. Hence, we would like to make sure you that we would provide all the facilities as per the occupation mentioned on the demand letter and we will take full guarantee of thee worker.

So Sir, kindly requests you to accept that demand letter and provide us the Final Labor Approval in behalf of the candidate.

We hope our request will get your attention.

Jawad Shehadeh
